# 19/29 BRAND – PREMIUM BOTTLED COCKTAILS

We've merged our vision with 1929cocktailshop.com to create 19/29 Cocktails: rare, premium ready-to-drink bottles (over 10% ABV) that taste like fresh, handcrafted bar cocktails—using real fruits, complex artisanal processes, and top spirits. Perfect for premium hotels to stock in fridges as the ideal nightcap or morning-after refresh. Founder Angel oversees every recipe, keeping it proudly independent.

### BOUTIQUE TOUCHES & HOTEL MAGIC

These bottles elevate luxury hotel experiences—no low-ABV compromises, just real cocktail quality guests crave after a big night. We refine them at our small spots in Hertford (19/29 Shop) and Ibiza (AKI Ibiza), hosting cosy ~60-person tastings and events to stay connected. Angel's hands-on touch ensures every sip builds those forever relationships we love.
